

Leicestershire Virtual School in collaboration with Communities and Wellbeing Participation Team are excited to launch

Leicestershire
County Council

STORY CHAMPIONS

We are setting up a new project.

**As a valued foster carer,
we need *your* help!**

Enjoying stories with children can have life changing impact beyond education. We would like to develop *free and fun* training to support carers to get the best out of sharing stories with the children they look after.

***As a foster carer you know the
challenges around reading.***

Are you interested in learning more about the power of stories?

Do you want to gain some new skills for yourself?

Are you willing to share your thoughts and help make this training happen?

We would love to hear from you if you are interested in finding out more.
