Duration:

10 minutes

4 sound clips which can be paused and replayed to clarify and discuss what has been heard.

A printable PDF of photos to talk about, if further prompts are required.

Extras:

Notebook or recording device to share stories about travelling and holidays.

Activity aim:

- To listen to four sound recordings of people talking about going on holiday.
- To recall stories about travelling and holidays.

Instructions:

1. Be still and quiet for a minute and listen to the sounds around you.
2. Explain that you are going to listen to some people talking about going on their holidays – by tandem, taxi and charabanc and what it was like to stay in a guest house.
3. Look at the accompanying photos and talk about different ways of travelling. Play each sound clip, pausing and replaying as appropriate. Talk about how people travel now; how the roads are different; places people like to visit - how they get there and where they like to stay.

Topics for discussion:

- Do you have a story to share about travelling on holiday?
- What is the best / worst place you ever stayed in?
- What are your holiday essentials when it comes to packing?
- How do holidays make you feel?
- What was your favourite sound recording and why?
